### Sacred Heart Parish Mission Statement

*"Sacred Heart Catholic Parish exists to foster a community of disciples in response to the Gospel of Jesus Christ through Worship, Fellowship, Catholic Education and Service"*

### GOSPEL MEDITATION

#### August 19, 2018 20th Sunday in Ordinary Time

In this Sunday's Gospel, the conflict escalates in the Bread of Life Discourse. Confusion is mounting in the crowd. "How can this man give us his flesh to eat?" Their minds were thinking literally, not mystically. Jesus doesn't seem to help, however, and only drives his point home with more emphasis. "Unless you eat the flesh of the Son of Man and drink his blood, you do not have life within you." Jesus would later institute the Eucharist at the Last Supper. There he would definitively establish the sacramental reality in which bread and wine become substantially his own Body and Blood. We celebrate this sacrament in the Mass.

Perhaps we do not always understand what we receive. "My flesh is true food, and my blood is true drink." What is the essence of food and drink? Food nourishes our bodies, providing essential calories for our survival. Water is used throughout the body to cushion joints, regulate body temperature, and protect sensitive tissues like the brain. When we receive the Eucharist, we receive the spiritual equivalent of these essential elements. Like water, the Eucharist strengthens the sanctifying grace moving through us. "Whoever eats my flesh and drinks my blood remains in me and I in him." The Eucharist connects us intimately to Jesus and confirms our union with him. That is why we abstain from the Eucharist while in a state of mortal sin. It would be a contradiction and deep disrespect to these words of Jesus. To receive the Body and Blood of Jesus is not a right but a gift we receive with deep humility.

As we receive the Bread of Life, grace strengthens our love, separates us from sin -- even wiping away venial sins -- unifies us with the universal Church, and helps commit us to humble service. Together we are nourished for our mission in the world!

### EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

We can easily feel obligated to attend a party, wedding, or other event that we find ourselves invited to as a guest. If we want to go, then we get dressed up and rush off with anticipation of fun and good times with friends. If we dread going, we get ourselves together slowly and arrive late, hoping that the event will not be so long and we can then get on with the rest of our day. The difference in our feelings may have to do with many aspects: the host, the attendees, the reason for celebration, or even the venue. Either way, the invitation has been given to us because someone feels that our presence would make a positive difference. Our response is entirely our own. We decide how we will answer the invitation.

Every Sunday, every day in fact, you and I have received an invitation to a banquet more celebratory and grander than any wedding or birthday party. The host is actually Jesus Christ himself, and he has prepared a feast that promises to satisfy. He has prepared for this event by giving all he has to give. No host has ever been more gracious. His hope is that you will be happy to attend for your presence does make a tremendous difference. Would he invite you if attending made no difference at all? Will you RSVP with a sense of joy and anticipation? If this is just another invite that obligates you and you approach the event with indifference, the host wonders if you really comprehend what he went through to make this meal possible. He also wonders if you really understand what is truly being celebrated.--Tracy Earl Welliver, MTS

*Of all his virtues, Christ specifically commends one to us, humility. 'Learn of me for I am meek and humble of heart.'*

--St. Bernard of Clairvaux
