Sacred Heart Parish Mission Statement

"Sacred Heart Catholic Parish exists to foster a community of disciples in response to the Gospel of Jesus Christ through Worship, Fellowship, Catholic Education and Service"

Dear Parishioners,

These past weeks I have been highlighting stories from our Sacred Heart community of parishioners using Stay-At-Home time for the benefit of others. One of our parishioners, Renee Buchannan, in addition to making masks has creatively come up with an idea called Mask Extenders. This allows you to wear your mask with a good fit while sparing the back of your ears the friction caused by the elastic bands. Very creative. She is selling them for \$1.50, and then donating the profits. One such place receiving donations is the NEAR Food shelf. To get in touch with Renee visit her [Facebook Page](https://www.facebook.com/rkbf4life). Her is the address: <https://www.facebook.com/rkbf4life>

Good News: Resumption of Public Masses inside Sacred Heart Catholic Church on the Horizon

Archbishop Hebda sent out notice that assuming the Stay-at-Home order is not extended beyond May 18th, 2020 then Public Masses with a Congregation inside the Church Building will be able to resume in the Archdiocese of St. Paul and Minneapolis following certain safety protocols. There will be a phased approach to resumption of worship in our churches. Our staff is now preparing to implement these protocols so we can resume together the source and summit of our Parish life, Sunday Eucharist. Let us pray that this state of affairs comes to pass. In the meantime, we have our parking lot Masses on Sunday at 10:00am and 11:30am (Latin) along with live-streaming of private Masses.

Yours in the Sacred Heart of Jesus,
Fr. Bryan J.B. Pedersen

Top 10 Reasons to send your child to Sacred Heart Catholic School

Reason #1: *Instill core Catholic values in our educational atmosphere in order to provide the standards, morals and ethics families seek to include in their children's education.*

Our religion program is intended to invite the children to a faith response that is living, conscious and active.

Religion is integrated throughout the day to include collaboration with parents creating a firm foundation of the Catholic faith and Catholic social teachings. Through prayer, study, scripture, sacraments, liturgical experiences and service to others, the children have opportunities to connect their faith to daily living.

Support our Read-a-thon 2020: May 1-15

We are excited to begin our Read-a-thon 2020. While students are at home for online learning, this is the perfect time to focus on reading for fun. Our hope is that each child will read daily for 15-45 minutes, depending on their grade level. If you would like to support one of our students, please call the school to make a pledge to Sacred Heart Catholic School.

Normally, our Read-a-thon goal has been \$13,000 and we always surpass our goal. Our community of friends has always supported us during this event, and we hope that they continue to do so. Please pray for a successful read-a-thon!

Visit our Strong Faith-based School

GOSPEL MEDITATION

May 10, 2020

Fifth Sunday of Easter

When earthly lives end, especially when the person is younger, we tend to focus upon and consider what was lost. We think of lost opportunities — things they won't be able to see, babies they won't be able to cradle, and adventures that now must go undiscovered. Our minds create this chasm between earth and heaven that sees the losses of this life as permanent ones, never possible to achieve again. This perception causes many folks to remain stuck in their grief as they ponder all of the missed opportunities and regrets.

This is not resurrection thinking. All of the love that we can give and receive, the joy and elation that can be experienced, the adventures that can be undertaken, and the possibilities to be discovered are all part of a continuous journey. They are not ends in and of themselves but are all part of the unfolding of a relationship we have with God, who not only makes all of these wonderful things possible now but sustains them and fulfills them into eternity. The perception and experience of loss is really an illusion, because in God's eternal kingdom and in God's time, nothing is ever lost. Even the most intimate and tender of moments we can conceive of sharing with another human being are only part of a journey toward perfect intimate and tender moments to be shared with God in our resurrected life. We become like God and see God as He is in eternity. What greater joy, love, and hope can ever be discovered as we walk down our often dimly lit paths in this world.

This is an awesome wonder and magnificent news to behold. Call to mind someone you have lost in death. How do you see them now? How do you see yourself in heaven? Remind yourself, again, that God is the Way, the Truth and the Life. Our happiness is not going to be fully realized in this world, and there is nothing we can find here that cannot be found one hundred fold in eternity. It's all about relationship, and not solely about the relationships we have with each other, ourselves, and the world in which we live. It's about our relationship with God. If we realize how special that one relationship really is, then there is only one particular of heaven and life eternal that really matters: namely, that we fall into love eternal and discover truth. For when we finally close our eyes in death, then all will be well as long as we are with God. There are no losses, only gains.

HAPPY BIRTHDAY – SPIRITUALLY ADOPTED BABY!

Your spiritually adopted baby was born this month - - nine months after her mother conceived her. The only change at birth is a change in the external life support system of the baby. She is no different now than she before birth except that she breathes and eats differently. She is truly a miracle. She began as a 46-chromosome cell and has grown over the past nine months into this unique human baby we now can see. Never before in history, nor ever again, will anyone exist who is exactly like your spiritually adopted baby. Your prayers saved her life. Thank you on behalf of all of the little babies and their mothers for your loving prayers that helped to bring them to birth "so that they might have life and have it to the full!"

Recognize God In Your Ordinary Moments

Witness for Jesus

This journey of faith is not always easy. Sometimes the greatest wounds are those we suffer when family members and friends wander away from God and leave us behind. The faith they had when they were younger is now strained, or they see the daily walking with Jesus to be too difficult. For them, Jesus becomes what Peter wrote about when he described Jesus as the stone that causes people to stumble and the rock that makes them fall. Our journey is hard enough, but watching a loved one stumble and fall is heart-breaking.

What are we to do in such a situation? Most importantly, we pray. We must realize that God is more powerful than us, and even if we can't make them see the truth, He can. Then we witness to the transformative power of Jesus by our own lives. We need to serve him in word and deed. We should let a joy of being a disciple enlighten our faces. Allow Jesus to work through us so that others may be drawn to him. Lastly, we must never lose hope. Many have walked long journeys alone only to find God far down the road. What will it take to bring someone to Christ? It might be an action, a word, or an emotion. We never know how certain people will be touched. That loved one is a gift from God in your life. Place them back in God's hands, and let Him pick them up if they have stumbled and fallen.

WHY DO WE DO THAT?

Catholic Life Explained:

Saints or Sinners?

Question:

Our prayer group has been reading the lives of some saints, and we were struck by how some of them thought they were such sinners. Why would someone so holy think they had such serious sin?

Answer:

Professional athletes practice the fundamentals of their sport over and over again, reaching for better form, consistency, and performance. They focus on the basics, review past performances, and visualize greater success. Practice makes better, if not perfect!

Spiritual masters such as the saints also looked for perfection. They practiced their faith in the search for holiness, grace, and virtue. Through sacraments, prayer, study, good works, and penance, they raised their level of awareness and their sensitivity to the presence of God, the demands of the Gospel, and the workings of the Holy Spirit. They examined their consciences daily, reviewing the day for moments of failure and times that they could have been more virtuous in one way or another. They resolved to do better, be more attentive, and alert!

Therefore, anything that would distract them or interfere with their relationship with God would be like a small black spot on a bright white wall — you can't miss it! The great saints were aware of sin and the presence of evil because they were so tuned into the struggle between good and evil that was fought in their own lives, hearts, and souls.
