6TH SUNDAY OF EASTER

“I will ask the Father, and he will give you another Advocate
to be with you always, the Spirit of truth.” - Jn 14:16-17a

ARCHDIOCESE
OF
SAINT PAUL &
MINNEAPOLIS

OFFICE OF THE ARCHBISHOP

May 1, 2020

Dear Sisters and Brothers in Christ,

I remain grateful for your commitment even in these difficult days to give joyful witness to the Resurrection of Jesus. I deeply appreciate the sacrifices that you have been making so that we as the Catholic community can give concrete witness to our respect for human life, and tend to the physical and spiritual well-being of our brothers and sisters.

With the extension of Governor Walz's Stay-at-Home Order until May 18, the public celebration of Mass in the Archdiocese of Saint Paul and Minneapolis will continue to be suspended until that date.

The Bishops of Minnesota gathered yesterday after the governor's news conference to carefully consider our own phased approach back into having public Masses. We recognize that when we return to public Masses, we will have to do so with carefully defined protocols in order to keep people safe and to prevent the spread of the virus. We know that if we work together we can do this safely.

We need to begin now to work with our priests and parish leaders so that we could be ready to begin some limited public Masses on May 18. **(Look for a flocknote email from Sacred Heart Catholic Church & School which will be sent prior to May 18th for the latest update on the resumption of Public Masses. ~ Fr. Bryan J.B. Pedersen).** We are developing a gradual, multi-phase approach to the return to public worship. We are in phase one right now. Phase two will allow us to begin some public Masses, and phase three would allow us to have larger gatherings. These phases will allow for the ability to re-evaluate the process as necessary in order to ensure the health and safety of the community going forward. Our plan presumes that throughout the state the dispensation from the obligation to attend Mass on Sundays and Holy Days of Obligation will continue until such a time that it is safe for all to return.

All phases of this plan require following strict guidelines for social distancing and sanitization.

- Those over age 65 will be strongly encouraged not to attend, and anyone showing any symptoms of sickness, or anyone who has a household member who is sick or showing symptoms of sickness should not come to church.
- The church space will be thoroughly sanitized before and after each service, including all entryways and doors. Holy water fonts will be empty and hymnals removed.
- Signs will be posted concerning social distancing and sanitation requirements and reminders to follow these requirements will be offered.
- Hand sanitizers will be available at all entryways.
- All local safety orders specifically relating to proper face coverings will be followed.
- People will be instructed not engage in any physical touch, such as by greeting each other.
- Signs and other instructions will encourage normal safe practices necessary to avoid the spread (e.g. cough or sneeze into a shirtsleeve, handkerchief, or tissue; avoid touching the eyes, nose, and mouth).
- Ventilation will be increased as much as possible by opening windows and doors, as weather permits.

Reason #2: Aspire to achieve high academic standards so that each student is equipped with the skills, knowledge, and values to excel beyond the classroom.

Our staff is dedicated to educating the whole child through an integrated C-STEM curriculum. In collaboration with our families, we maximize individual potential to ensure students are prepared to meet the challenges in the world. We support learners through small groups, individual tutoring, our reading specialist, Title I teacher, and enrichment.

Parent testimonials regarding our student online learning :

So proud of Sacred Heart and how you've handled this. I feel like we are still getting the education for our children we'd hoped for and we appreciate the flexibility and grace shown to families.

The communication from teachers is amazing. The video calls and the emails with daily/weekly expectations are great.

I think it was an overall herculean effort by our teachers and principal. What a tough thing to implement. The daily or weekly check-ins are great. The teachers who take time to videotape or explain lessons are super helpful.

GOSPEL MEDITATION

May 17th, 2020

Sixth Sunday of Easter

We hope for many things: passing an exam, finding our true love, securing sustainable work, or surviving an illness. We often seek to have God be a part of what we hope for and desire, almost trying to convince Him that our agenda is what is ultimately important. While our particular hopes may appear to be what needs to be achieved in order for us to be happy, they really are not. Our lesser, more personal hopes can distract us from true hope.

When God became a human being, a powerful message was sent: all that is authentically human is found in the divine. As the human Jesus lived and died in order to show us that he truly is the universal Christ, we have to keep our sight focused on our eternal truth and destiny and who we truly are. We have to be careful when we allow our earthly concerns to distract us. True hope is found when we place our trust in Christ's promises and don't rely on our own strength. True hope focuses on striving toward the fulfillment of God's promises and not simply on achieving what we think we need in this life. Hope always travels with two friends — faith and love. In this trio of virtues, we find the very presence of God born in every human being. These are God's greatest gifts, and they lead us to the fullness of His presence.

As with faith and love, we cannot see hope with just our human eyes. We don't carry this virtue within us to use solely for our own personal agenda. Hope is not something that simply comes with the human package. As with faith and love, hope is a gift that is given to us to draw us closer to our eternal truth. Faith, hope, and love are signs that there is something far greater going on in us and something greater to persevere in obtaining. The true divine gift of hope is what will endure any hardship we encounter, especially those that will come from authentically living the Gospel. With all that is happening in our lives, in our church, and in our world, what is the reason for our hope? Ask God for the fortitude to see His eternal gift as the reason we get up in the morning and do the things we do.

I HAVE BEEN GOING TO MASS FOR YEARS AND HAVE ALWAYS WONDERED: WHY DO WE MAKE THE THREE SIGNS OF THE CROSS BEFORE THE GOSPEL?

Certainly, many people go to Mass or other devotions, doing and saying things out of habit or reverence and not really understanding the reasons behind some of these things. But everything we do has a meaning or purpose that helps us to worship better, proclaim our beliefs, or focus the attention of the people on something that has a greater importance or significance. A review of the meaning of various gestures and practices can help us have a deeper appreciation for what we do.

There is a little prayer that goes with the three crosses before the Gospel: "May the words of the Holy Gospel be on my mind, on my lips and in my heart." In standing to hear the Gospel, we acknowledge that Jesus is present, and the words of the Gospel are addressed to us. All of the gestures and special postures we adopt before the Gospel are intended to help us prepare for hearing the Word as well as act on it. The incense, the Alleluia, the deacon or priest, and the special dialogue and announcement that introduces the Gospel help us focus our attention on the Good News we are about to hear. The three signs of the cross show our desire and good intention to hear and live the Gospel.

EVERYDAY STEWARDSHIP

Have you ever Googled the word "love"? If you did, you may have come across something called the Love Calculator. It is a website where you can supply two names, and the percentage chance of a successful relationship is calculated. Curious, I entered my name and my wife's. Twenty percent! I hope my wife doesn't read this!

I then decided to add my name and God. A whopping thirteen percent! Then for the last attempt, I put in my name and Jesus. A very disappointing zero percent! Am I that unlovable? Of course, then I read the small print at the bottom of the page: "Please note that this site has no serious intention whatsoever." Shocking!

The truth is, the modern world increasingly seems to have no real idea what love is or how to determine when love is real. That makes the seemingly simple words of Jesus about loving God and your neighbor very complex indeed. How can you love God with your all your heart, soul, and mind when you have no idea what the act of loving means? And then, what constitutes loving a neighbor? To make it more complicated, Jesus commands you to love them like you love yourself. I bet you can agree with me that there are a lot of people out there who do not even come close to loving themselves. Knowing what love is in modern times is just not that easy. How is a well-meaning person able to find out the true meaning of love?

You don't know what true love is? I think you do. Turn your eyes to that crucifix hanging in your church, home, or office. The answer was given over 2,000 years ago, and the image remains for the entire world to see.

Parish Prayer Line

To be placed on the prayer line call the Parish Office 763-537-4561. You can also send in your request via e-mail: cshadmin@shrmn.org

While we are in phase one, our churches can be open daily for prayer, and priests can provide for adoration of the Blessed Sacrament as they are able. Confessions can happen in spaces that are well-ventilated with adequate social distancing, yet still assuring the privacy of the sacrament. (At Sacred Heart we have a station set up at Door #8 –Fr. Bryan J.B. Pedersen). Many parishes have held confessions outdoors, which can work well. It is also permissible to celebrate weddings or funerals with 10 people or fewer present. Outdoor Masses without the distribution of Holy Communion, including benediction where people remain in their cars, minimizing the danger of spreading infection, are also allowed.

We anticipate beginning phase two on May 18. We will be working with public officials in a collaborative way to meet that goal. During phase two, public Masses in churches will be allowed in smaller groups limited to no more than 1/3 of the seating capacity of the Church (approximately every 3rd pew). Parishes are always required to observe the prevailing directives for social distancing between those not of the same household.

Parishes will need to develop ways to ensure that this capacity limit is strictly followed, such as by implementing online signups and having ushers in place to ensure crowds are limited and controlled. Since the Sunday obligation has been dispensed, Catholics will be encouraged to attend other Masses during the week instead of on Sunday, in order to spread out the numbers. More Masses than usual will need to be offered in some cases to accommodate everyone who desires to attend Mass during this phase.

We intend to provide detailed protocols to be followed for the celebration of Mass and the distribution of Holy Communion well in advance of the date when public Masses will resume, so that parishes can make preparations for the careful way we will have to move forward. Social gatherings and other small group meetings will not be allowed during phase two, since they do not have the same controlled movement as Mass. Some other sacramental celebrations may be allowed, but they may never exceed 1/3 of the seating capacity of the church. If a liturgical celebration or event cannot maintain the capacity and other social distancing requirements, it may not take place during this phase.

At this point it is unknown when we would be able to enter phase three, which would provide more opportunity for us to have larger celebrations. We will continue to evaluate and follow the guidance of civil authorities and public health experts.

Please continue to pray for our brothers and sisters who have died from COVID-19, for those who mourn them, for those who are sick from this disease and for the people who are caring for them, often at great risk to themselves and their families. Know of my prayers for them and for you and your loved ones.

As we enter into this month of May, I offer my prayers for each of you through our Blessed Mother, Consoler of the Afflicted, and remain,

Sincerely in Christ,

Most Reverend Bernard A. Hebda

WILL YOU PRAY FOR A PRIEST EACH DAY?

PRAYER SUGGESTIONS

Lord Jesus Christ, You ordained the apostles priests at the Last Supper to continue the mission of mercy to the end time.

We believe that every Catholic priest traces his ordination to that first ordination on Holy Thursday night. We know how much You expect of Your priests, and we also know how weak and human they are. Inspire us, dear Jesus, to pray and sacrifice for Your priests, that by their faithfulness to You in this life they may bring countless souls to You in the life to come. Mary, mother of priests, pray for priests that they may love your Divine Son, even as you did unreservedly, all the days of their lives. Amen.
