GOSPEL MEDITATION

Encourage Deeper Understanding of Scripture

A well-choreographed dance can be truly inspirational. Each movement and step are interconnected, each contributing a piece of the unfolding artistic story. The beholder is caught up in the rhythms, music, and gestures, realizing that none are dispensable and all are necessary. The same is true of the Divine Dance of the Trinity. Each Person plays a part, using unique gestures and movements that are connected to the other Divine Partners. They tell a story of love. Every movement and step is born of love and flows on into eternity. The Divine Dance never ends.

God the Creator powerfully, yet with gentle love, leads. Creating and recreating, birthing and sustaining, He dances with the compassionate incarnate Son, guided by the breath of the Holy Spirit. They are three distinct Persons but move as One. On one hand, the cascading flow of their Presence appears motionless, yet on the other, flows and moves with effortless attention. They share one heart, one goal, and one purpose and invite all of creation to join in their dance, their joy.

The energy of the Trinity flows through all created things. It is a dance of the heart, not of the mind. It has to be experienced, not dissected, and contemplated, not understood. We stand in awe of the Divine Dance and find ourselves watching in amazement all that God creates and sustains. The dance continues in the majesty of a mountain, the power and wonder of an ocean, and the vastness of the universe. It moves in the cry of a newborn infant and in the soul of one who has been forgiven. It flows in the cry for justice and in the wounds of the oppressed. It circles through the changing of seasons, the cycles of birth and death, and the wisdom that one acquires when they love God.

The Dance never ends. Its movements and rhythms go on forever. The Trinitarian Dance sustains all things, endures all things, and brings hope. You are invited to dance. Don't just watch as if you were simply a spectator. Join in the dance and move as they move.

Respect Life Ministry

In response to tragedies involving abandoned infants, Minnesota enacted the Safe Place for Newborns law in 2000, providing a safe, anonymous alternative for mothers to legally leave their newborns in the care of others. The law was amended in 2012, expanding the number of safe places and lengthening the window of time in which women have the option to leave their newborns under the protection of the law.

Mothers, or someone with their permission, may leave unharmed newborns, no more than 7 days old, with an ambulance dispatched in response to a 9-1-1 call, or at a hospital or health care facility that provides urgent care. Medical staff will give shelter, health care and aid to the newborn. The law does not apply if newborns are born in a hospital, have been harmed or are over 7 days old.

The purpose and mission of the Safe Place for Newborns law is to save the lives of newborns in danger of abandonment and to help preserve the health and future of mothers.

Exceptions to the law

The Safe Place for Newborns law does not apply if mothers give birth in a hospital, as a hospital delivery creates a vital record, and anonymity would no longer be possible at that point.

If newborns are of American Indian descent, agencies are directed to contact the Minnesota Department of Human Services at 651-431-4661 or DHS.ICWA.MIFPA@state.mn.us.
