## WORSHIP & MEDITATION

### GOSPEL MEDITATION

#### Encourage Deeper Understanding of Scripture

Grace and sin, belief and unbelief, good and evil all exist together. While we wrestle with these two dimensions of reality inwardly, they are also witnessed in the actions and words of others. Many, all too often, beat themselves up because of their sin. We are also all too quick to pass judgment on others whom we perceive to be in error and walking down a wrong path. God does not make rash judgments, nor should we. Patience is the order of the day as is an understanding that God is ultimately the caller of the shots.

Our faith tells us that while God allows the wheat and the weeds to coexist, the wheat will always triumph. As long as we can cultivate even a little faith and a small measure of desire for God, He can produce abundant blessings and good things. Even when the weeds seem to have triumphed, there still may be a small measure of faith remaining that can be cultivated and grown. It doesn't take much! Unless a person totally allows the weeds to reign, there is always to be found at least a small measure of faith, good, light, and love. With even this small portion, God can produce abundant growth.

Admittedly, it is easy to give into the weeds, and they grow very quickly. Any gardener knows this to be true. Sometimes, the weeds even seem more attractive and vibrant. Dealing with weeds can quickly become a losing battle, and they can look healthier and grow faster than the very plants we are trying to protect. It's easy to give into them and let them win. While God will deal with all things in due time, we are responsible for keeping things in check in the short term. It is our task to keep our eyes fixed on God's presence and mercy. We are asked to avoid judgment. And, it is not our responsibility to deal with the weeds in someone else's garden, only our own. One garden is enough responsibility for anyone.

Weeds have power. We have to realize this. While they can appear attractive and healthy, they can quickly choke us off from God's presence. Our task is one of maintenance and cultivating a desire for God. Even the smallest kernel of faith can grow into something wonderful. In God's time, the eternal harvest will come, and we will no longer have to worry about the weeds.

## QUESTIONS OF THE WEEK

### Invite Parishioners to Reflect and Respond to Scripture

#### First Reading

The Jewish sage speaks of God as master of all who judges us with clemency and governs us with leniency. What are some areas of your life that make you grateful for a merciful God?

#### Second Reading

Paul teaches the Christians in Rome that the Spirit helps us "to pray as we ought." When do you find yourself most at prayer?

#### Gospel Reading

We hear today a series of parables describing aspects of the kingdom of heaven: the parable of the weeds among the wheat, the parable of the mustard seed, and the parable of the yeast. What do you think makes Jesus' parables such an effective method for teaching about the mystery of the kingdom of heaven?

### WHY DO WE DO THAT? - CATHOLIC LIFE EXPLAINED

#### Fish on Friday

#### Question:

Why do Catholics eat fish on Friday?

#### Answer:

For centuries, meatless Fridays were the norm for Catholics throughout the world. Friday was chosen because that was the day on which Jesus died, and Christians wanted to find a way to honor that day with special prayers and acts of penance and self-denial. The practice of abstaining from meat on Fridays — under pain of sin — grew out of that desire, and it became an official part of Church teaching until the time of the Second Vatican Council.

In the 1960s, there was a shift in the Church's thinking, in large part because there was a recognition that differences in cultures and economic realities meant that eating or not eating meat had different meanings for different peoples. For example, in cultures that were largely dependent on seafood or a vegetarian diet, abstaining from meat was no sacrifice at all. While in other places, eating fish and other kinds of seafood was actually something rare and special and not a sacrifice. This was all part of a basic reflection on "why we do what we do" among the Church's pastors.

Today, Catholics throughout the world are still instructed to abstain from meat on the Fridays of Lent. The bishops of some countries, such as in England and Wales, ask Catholics to abstain from meat every Friday, continuing the older tradition. The Bishops of the United States have taken a slightly different approach, encouraging Catholics to honor Friday as a special day by abstaining from meat every Friday or by taking on some other work of penance or charity for the sake of others.

## PARISH SPIRITUAL ADOPTION PROGRAM

### DAY ONE – Developing Baby Spiritual Adoption Program

At the moment the father's sperm and mother's egg unite a new and unrepeatable human being comes into existence, complete with his own unique set of DNA. Although he is only one cell, everything about this little person is already present: color of eyes, blood type, the height he will grow to be, color of hair – everything! He will play a role in his family and his community – a role only he can play! Nothing is added after conception to make him a complete human being. He already exists; all he needs is nourishment, a safe, warm environment, and most of all – love. His parents don't even know he exists yet. Pray for them to safely bring their baby to birth so he can fulfill the mission God has for him.

**Say the following daily prayer for a period of nine months.**

***“Jesus, Mary and Joseph, I love you very much. I beg you to spare the life of [baby's name] the unborn baby that I have spiritually adopted who is in danger of abortion.”***

### LIVE THE LITURGY

#### Inspiration for the week

Grace and sin are found together. As much as our hearts long for union with God, there is always that part of us that resists. As much as I wholeheartedly believe in God, there is a dimension of disbelief with which I also wrestle. Even though we may seek purity and integrity in all of our thoughts, words, and deeds, there is also the path toward weakness and sin that we find ourselves traversing. Just as weeds can easily overtake the best of gardens, so too can weakness and sin overtake and overwhelm a person. The call is to realize the power the weeds of sin have to choke us off from God's presence. While God allows the wheat and the weeds to exist together, we must keep our eyes fixed on God's mercy and forgiveness and resist the death that comes from giving way to sin and evil. In God's time, the eternal harvest will come, and we will no longer have to worry about the weeds. For now, we must be vigilant and regularly seek the assistance of the Master Gardener.
