Sacred Heart Parish Mission Statement

"Sacred Heart Catholic Parish exists to foster a community of disciples in response to the Gospel of Jesus Christ through Worship, Fellowship, Catholic Education and Service"

Vigilance

With the counsel of public health officials, governmental mandates, and Archdiocesan protocols we have adopted several practices in public spaces during this pandemic out of an abundance of caution. While actions such as frequently washing hands and coughing on the inside of our elbow have always been advisable and common sense, newer practices such as social distancing, increased use of hand sanitizing stations, reducing the occupancy of indoor public spaces, more frequent disinfecting of those spaces, and now mask wearing while indoors have been asked of us for the benefit of public health and the common good during the pandemic.

While there are divergent voices about the best way to respond to the pandemic, and even different practices by region, state, or country respect for duly constituted public authority has been a staple of Catholic Social Teaching for two millennia. The Catechism of the Catholic Church offers a summary of this teaching in section 1897-1927 which is worth reviewing.

Because the pandemic has lasted so long there is always the risk that we become lackadaisical about the safety protocols. To that end, it is important to renew our vigilance for these practices out of charity and respect for one another. Even if you are unconvinced that wearing masks and/or social distancing is an effective response to the pandemic at this time the blessed apostle St. Paul advises us in several letters the importance of not becoming a stumbling block for others. Cf. 1 Cor. 10:23-33; or Romans 14.

Let me note a couple things that will help us to exercise charity for one another while avoiding becoming a stumbling block to others.

Use and observe the Sign-Up for Sunday Mass.

If you have forgotten the slot you signed up for please check in with the Usher who will direct, you to your place.

If by chance you did not sign-up for Mass, before taking a slot check-in with the usher to ensure the slot is free.

Remember common courtesy means not taking a slot someone else may have reserved.

Observe the mask mandate unless you are exempt.

If by chance you forgot your mask, we do have them available. Check in with the usher or the reception desk in the parish common for a mask.

Wearing the mask properly requires it to be over the nose and face.

If an usher offers you a mask, please make use of it, or communicate to them you are exempt.

Make it a blessed day!

Yours in the Sacred Heart of Jesus,

Fr. Bryan J.B. Pedersen

Sacred Heart Catholic School

The Sacred Heart staff has been working hard to prepare for in-person learning this fall. We will be adjusting to new routines and procedures that can be overwhelming. At the same time, there are so many little things that are going to make a huge difference in our success. This reflection brought me to a quote by St. Theresa of Calcutta, "Not all of us can do great things. But we can do small things with great love." This quote captures what we as a community will need to do this year-lots of small things! If we commit to doing the small things well, and we take it one step at a time, the big picture becomes less overwhelming. We continue to prepare for the 1st day of school on September 8th. We cannot wait for our student to walk in the door and see each other again.

Are you looking for a school where teachers create a positive learning environment focusing on our C-STEM curriculum, a new phonics reading initiative called Believe & Read for PreK-3rd grade, and a strong foundation in our Catholic faith and proven academic success?

It is not too late to call for a personalized tour of our school and discover an environment of academic excellence and spiritual growth. We will be back in fall for in-person learning. Dedicated teachers engage students in hands-on learning, C-STEM instruction, and a strong curriculum. For more information about our Pre-K programs or K-8 education, please call to schedule a tour. Call 763.537.1329.

We are now accepting donations for school supplies:

Children's face masks, Crayola Washable markers-8 count, No. 2 Pencils, Colored pencils, Expo dry erase markers-thick or thin, Sharpie markers, copier paper-white/color.

Faithful Beginnings at Sacred Heart Catholic School prepares our Preschool and Pre-Kindergarten students for the kindergarten transition. If you would like to learn more about Faithful Beginning, please contact the school office.

We have many options for Preschool:

3 year old Pre K: Tuesday/Thursday 9:00-11:30 a.m.

4 year old Pre K: Full and part time options 7:30-2:10 pm.

Question:

Why are only men allowed to be priests or deacons in the Church?

Answer:

One of the most debated and — in some circles — contentious teachings of the Church is that only men can be ordained as priests and deacons. Critics see it as a way of strengthening a patriarchal system in which women have little or no voice. Those who support this teaching look to New Testament teaching (where we read of Jesus choosing only men to be apostles) and the long-standing practice of the Church. This was certainly the perspective of St. John Paul II who, in his 1994 apostolic letter, *Ordinatio Sacerdotalis*, closed the discussion on the possibility of ordaining women as priests.

In the letter, he reflected on the dignity of women and their call to share in the life and mission of the Church, but he concluded by solemnly declaring that “the Church has no authority whatsoever to confer priestly ordination on women and that this judgement is to be definitely held by all the Church’s faithful” (no. 4).

This position has been upheld by Pope Francis in interviews, most notably as he returned from his 2016 visit to Sweden.

The ordination of women to the diaconate is another question and one which is being studied. In 2016, Pope Francis created a 12-member commission to study the question from several perspectives (theological, liturgical, historical, etc.). The commission issued an initial report for Pope Francis who later said that the commission had not yet produced a “definite response” to the question because of a lack of agreement on the role of female deacons in the Early Church.

For now, however, regardless of what changes might come from ongoing study and debate, the Church continues to reserve ordination to the diaconate to men only, recognizing a vital link between the diaconate and the priesthood and the lack of certainty about the presence and function of female deacons throughout history.

READ THE GOSPEL AND COMPLETE A PUZZLE!

SHARING THE GOSPEL

In this Gospel, Jesus asked his disciples not to tell anyone that he was the Christ, the Messiah, the Savior. It is hard to keep a secret. When you are told a secret, the first thing you want to do is tell everyone you meet. If you were blind and Jesus made you see, it would be difficult to keep it a secret. You would probably run here and there telling everyone.

PRAYER

Jesus, now I can tell everyone that you are Christ, our Savior.

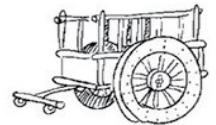

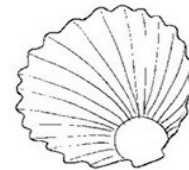

MISSION FOR THE WEEK

I will share my favorite Bible verse about Jesus with a friend.
