30TH SUNDAY IN ORDINARY TIME

Jesus said to him in reply, "What do you want me to do for you?" The blind man replied to him, "Master, I want to see." Jesus told him, "Go your way; your faith has saved you." Immediately he received his sight and followed him on the way. - Mk 10:51-52

October: Respect Life Month

October has long been a month where the Catholic Church focuses her attention on our responsibility to Respect Life. One aspect of this here at Sacred Heart through the years has been through an initiative known as "The Cemetery of the Innocents". You will notice along West Broadway Ave N that there are several flags or pink and blue. These flags represent those boys and girls who are not with us today, because they were aborted. Would we have a shortage of workers today had these children been born? Since the first century, in one of the earliest Christian writings, a manual of teaching known as the *Didache* Christianity has affirmed the moral evil of every procured abortion. The Catechism of the Catholic Church speaks of this ancient teaching in section 2271 declaring abortion to be a grave sin against the divine Commandment, "You shall not kill." Exodus 20:13.

Technology has made the pro-life argument concerning children in the womb to be even more compelling. It is certainly one thing to use our reason based upon natural law to infer that the killing of innocent life is always and everywhere wrong. Our ability to show the remarkable environment that is the female womb containing a pre-born child with ultrasound technology affirms for pregnant women that their pregnancy is not a matter of a clump of cells but an actual human child – their child! Ultrasound technology has been a difference maker, as has research into preborn human life demonstrating that the human fetus dreams, moves around, makes poses, and yes, experiences pain.

In this year of St. Joseph let me share with you a brief reflection for this year's **Respect Life Month 2021**.

St. Joseph: Faithful Protector of Mother and Child

The infant Christ "came into our world in a state of great vulnerability. He needed to be defended, protected, cared for and raised by Joseph" (PC 5). The humble and often hidden carpenter of Nazareth accompanied Mary in her pregnancy, assisted at the birth of the Messiah in a stable, presented Jesus in the Temple, fled with his family far from their homeland to protect them, and lovingly raised Jesus as his own son in the years to come.

While the angel of the Lord appeared to Mary to announce that she would bring forth the Savior of the world, it was revealed to Joseph in a series of dreams how God's plans would be brought to fulfillment. As Pope Francis highlights, "God trusted Joseph, as did Mary, who found in him someone who would not only save her life, but would always provide for her and her child" (PC5).

Like every other human family, the Holy Family had to confront real and concrete challenges. Yet, "in every situation, Joseph declared his own 'fiat'" (PC 3). His "yes" to the Lord meant that regardless of the hardship and personal sacrifice to himself, he consistently chose to put the needs of Mary and Jesus before his own. Joseph's devotion helps reveal to us our own call to show special care for the lives of those whom God has entrusted to us.

During this Year of St. Joseph, each of us can find in him "an intercessor, a support and a guide in times of trouble" (PC, Intro). Joseph shows us how to say "yes" to life, despite our own fears, frailties, and weaknesses. For it is Joseph who was "chosen by God to guide the beginnings of the history of redemption. He was the true 'miracle' by which God saves the child and his mother" (PC 5).

May we, too, be miracles in the lives of those who are most in need, especially at the beginning and end of life. Dear St. Joseph, you who were "able to turn a problem into a possibility by trusting always in divine providence" (PC 5), help us to imitate your faithful trust and courage.

New Dishwasher & Convection Ovens**NEW DISHWASHER & CONVECTION OVENS**

We are happy to report that we replaced the dishwasher in the Scullery and the double-stack convection ovens in the kitchen with new equipment. Both of these old items had served Sacred Heart well over the years, but came to a point where they were no longer working properly. We are thankful to a very generous donor who funded the dishwasher replacement. We are also thankful to our Building & Grounds Committee for their counsel on the type of replacement equipment, the vendors we worked with to order and install the new equipment (Rapids Food Service Contract & Design, Modern Heating & Air, P&D Mechanical Contracting Co., Hobart Foodservice Co., Vulcan & Dalco Enterprises) and our maintenance staff for their assistance and clean-up of the Scullery. It takes a village and there were a lot of moving parts to this project. Thanks to all involved! The upcoming Mostaccioli dinner will be the first test with the new equipment.

Sacred Heart Catholic School

It's official! **Sacred Heart Catholic School is now a certified Believe & Read School**. It is a three-year program that transforms literacy instruction through outstanding professional development and teacher coaching. Believe and Read helps launch **All students** to the next level, in addition to helping those who struggle.

We want to recognize our PreK-3rd grade teachers for the hard work they've done these last two years. They have spent a great deal of time learning the curriculum, looking at data and meeting monthly for professional development with a Groves Academy coach. Our teachers are putting literacy in the forefront in preparing students for success and **we're seeing results!**

As we begin year 3, Ms. Mary Byrne is actively training to be our in-house literacy coach. We are very proud to hang our certification in the school!

Before you know it, you'll be hanging a wreath at the door, and we want you to know that we've made ordering greenery for the holidays pretty easy! Inside this bulletin is an order form and there are plenty of items to select from. You may drop it off in the Parish Commons, or in the collection plate at church. There are also order forms at the Commons reception desk. Order deadline is October 28 and delivery is Nov. 16 – 18. (We will let you know the exact date and time when we get closer to delivery) **Our staff and students appreciate all you do to help us.** If you have any questions about the wreaths, delivery, etc., please give Pat Moore a call at 763-285-6276.

Saint of the Week-Examples of our Faith

St. Peter of Alcantara | Feast Day October 26

St. Peter of Alcantara was born in Alcantara, Spain in 1499. His father was the Governor of the province and his mother came from a noble family. He was privately tutored and attended the University of Salamanca. After he returned home from university, he was accepted as a Franciscan Friar of the Stricter Observance in 1515. He was ordained as a priest in 1524 and in 1525 he became Guardian of the friary of St. Mary of the Angels.

Throughout his life, St. Peter of Alcantara took up his spiritual cross and preached with great success to the poor, but also spend much of his time in solitude. From 1553 to early 1555, he spent this time alone in meditation and prayer. Soon following, St. Peter made a pilgrimage to Rome, barefoot the entire way. While in Rome he obtained permission from Pope Julius III to establish friaries.

St. Peter was known for frequently experiencing ecstasy, a state where he was entirely consumed with the warmth and light of the Holy Spirit. These euphoric moments were common during his prayer and meditation.

When he was near death, St. Peter took to his knees and prayed. When he was offered water, he refused it, saying, "Even my Lord Jesus Christ thirsted on the Cross." He died while in prayer on October 18, 1562. On April 18, 1622, he was declared blessed by Pope Gregory XV and later canonized by Pope Clement IX on April 28, 1669.

Everyday Stewardship

EVERYDAY STEWARDSHIP

Giving as God does

Ask yourself this question — what would you pray for if you really believed God could and would do anything for you? In my experience, we all have something. We all have that miracle we're afraid to request, afraid we will be disappointed.

Do we doubt God's readiness to give because we ourselves have such an imperfect understanding of charity and love? Maybe if we had better faith in God we would be more ready to give of ourselves — and maybe if we were more ready to give of ourselves, we would understand more clearly the ways of God.

Because we're not really afraid that God can't do something. We know He can do anything. What we're afraid of is that He will do what He always does: give us what we need, not what we want.

Have you ever had a friend in need and you just wanted to give them something — a meal, a phone call, a text? Not because you knew it would help, but simply because you wanted to reach out. And have they ever said to you: It wasn't so much what you gave, but the fact that you did. You gave them what they needed even if it wasn't what they specifically asked for.

When we give in this manner, we are giving as God does. Sometimes we are afraid to ask because we don't want to be disappointed. But remember, the blind man on the road got what he asked for, but he would have gotten what he needed even if his answer had been the opposite. God's generosity is always reckless, and it's always perfect.

— Tracy Earl Welliver, MTS

*"To convert somebody go and take them
by the hand and guide them."-
St. Thomas Aquinas*

WHY DO WE DO THAT? Catholic Life Explained:

Question:

I have a friend who receives communion, but who I know for a fact is in a state of mortal sin. Should I tell our priest? Is it my responsibility to say something?

Answer:

While we may always want to do what is best for our friends and family members, we have a responsibility to respect their privacy and their conscience. In its reflections on the Eighth Commandment ("You shall not bear false witness against your neighbor"), the Catechism of the Catholic Church states, "Respect for the reputation of persons forbids every attitude and word likely to cause them unjust injury. [One] becomes guilty: -of rash judgment who, even tacitly, assumes as true, without sufficient foundation, the moral fault of a neighbor; -of detraction who, without objectively valid reason, discloses another's faults and failings to persons who do not know them; of calumny who, by remarks contrary to the truth, harms the reputation of others and gives occasion for false judgments concerning them" (no. 2477).

We will never truly know what is in a person's mind, heart, and soul; only God knows those things. We should, of course, take our concerns to God and entrust the person about whom we are concerned to God's grace and mercy. If we have concerns about the spiritual wellbeing of someone with whom we are close, we should go to the person themselves and talk about our fears and concerns. Unless it is a case of abuse or endangerment (which we have a moral and even legal responsibility to report to the appropriate authorities), we ultimately do not have the freedom to share another's persons faults or sins, however good we think our intentions might be.

READ THE GOSPEL AND COMPLETE A PUZZLE!

SHARING THE GOSPEL

Bartimaeus may have been poor and blind, but he sure was smart! He had the kind of faith that made Jesus smile. Bartimaeus knew exactly who Jesus was—the Messiah. And Bartimaeus knew Jesus had the power to make him see. When Jesus called him, Bartimaeus left everything behind—even his coat—just to follow Jesus.

PRAYER

Dear God, thank you for helping Bartimaeus see you and follow you. Help me to follow his example.

MISSION FOR THE WEEK

Wear a blindfold at home, and ask your family members to talk to you as usual. Just by the sound of each voice, you know who is talking, right? Talk about how being blind did not stop Bartimaeus from recognizing Jesus, either.
