Sacred Heart Catholic School

I am very excited to begin my role as director of advancement at Sacred Heart Catholic School. While new to the role within the school, I graduated from SHCS in 2012 and have had much of my family attend or work at SHCS throughout the years so I am very familiar with and am looking forward to positively promoting the amazing community we have here.

After attending SHCS, I made my way down to Nicollet Island in Minneapolis where I graduated from DeLaSalle High School in 2016. Upon graduation from high school I studied at Saint John's University (MN) where I obtained my bachelor's degree in Economics while studying Theater, Vocal Performance, singing in choir and playing club volleyball on the side.

In my free time I still enjoy acting, singing and anything to do with playing or listening to music. I am also a huge sports fan, especially anything Minnesota sports! Most importantly I enjoy spending time with friends and family.

I am looking forward to the rest of this school year, and would like to thank everyone for welcoming me to the school! Let's have a great year!

Thank you,
Zach Fimon

SACRED HEART CATHOLIC SCHOOL MARATHON Saturday, October 1st at 9:15 a.m. Sanborn Park

The success of our Marathon is a tremendous example of how SHCS families, staff, and parishioners pull together to accomplish our goals. **Our goal is for EVERY student to bring in \$300.00 for the Marathon.** The Marathon is also a celebration and a chance for people to come together. We have fun walking, running or biking. All funds remain here at Sacred Heart and they are used to offset the rising costs of providing a quality education. So if you are asked, "Where does the money go?" ***It truly goes to support every part of our mission. Letters to parishioners will be mailed out the week of September 19th.***

We will continue using PledgeStar to secure online donations for our 2022 Marathon. This will make it easy for donors to pay online. Our donors may also continue to send us cash or a check. Please consider pledging Fr Pedersen or a student at our school.

If we reach our goal: Mr. Ziebol has graciously agreed to have whipped cream pies thrown at him during a pep fest IF AND ONLY IF we reach our goal! The top pledge earner in each grade will have the honor of tossing a cream pie at Mr. Ziebol. Get ready Mr. Ziebol.

Spiritual Adoption

MONTH SIX – Developing Baby Spiritual Adoption Program

Your spiritually adopted baby is developing quite beautifully now. Her weight is approaching 2 pounds. Babies born prematurely at this time have a very good chance of surviving. The medical advances in caring for

extremely small newborn infants are extraordinary indeed. Don't forget to pray for your baby. Abortion is legal through all nine months and her mom might still feel pressure to abort.

Say the following daily prayer for a period of nine months.

“Jesus, Mary and Joseph, I love you very much. I beg you to spare the life of [baby’s name] the unborn baby that I have spiritually adopted who is in danger of abortion.”

- Prayer of Archbishop Fulton J. Sheen

WHY DO WE DO THAT? Catholic Life Explained:

Question:

Who is St. Jerome and why is he so significant that we honored him with a feast on September 30?

Answer:

St. Jerome (345–420) was considered the greatest biblical scholar of his day, conversant with Latin, Greek, and Hebrew. He set about translating the books of the Bible from their original languages into Latin.

Much of Jerome’s correspondence has survived and gives us a powerful glimpse into the kind of person that he was, as well as the time in which he lived. Jerome eventually became Pope Damasus’ (366–384) personal secretary. In the West, Latin was overtaking Greek as the language of the common people. The pope desired a translation of the Bible that would be accurately translated from the original languages into the language and idiom of the people. Previous Latin translations existed, but they were poor in quality.

Jerome set about this task and spent the rest of his life meticulously translating. He is credited with the translation of the Bible known as the Vulgate, a Latin translation intended to address the needs of the common people. That translation became the standard and the only one used by Catholics until modern times. Catholics did not actively engage in a similar process until 1943, when Pius XII allowed Catholic scholars once again to go back to the original languages and translate an accurate and meticulous version of the Bible. We carry on that tradition to this very day.

Reading the Bible should bring us closer to Christ, but understanding it is often difficult. The good news is that you can understand the Bible, and The Bible Timeline, a twenty-four-part Bible study, makes it easy.

Presenter Jeff Cavins shows you how fourteen of the Bible's narrative books tell the biblical story from beginning to end and gives you the keys to understanding the amazing story woven throughout Scripture. In this revolutionary approach to Bible study, The Bible Timeline divides the Bible into twelve color-coded time periods that make it easier to follow its narrative thread. Using a unique color-coded chart, you will learn the major people, places, and events of the Bible and discover how they all come together to reveal the remarkable story of our faith. 24 Sessions
