WORSHIP & MEDITATION

GOSPEL MEDITATION

Encourage Deeper Understanding of Scripture

An entire town is wiped out by fire, a tornado rips through several neighborhoods, a bomb claims a maternity hospital and a sudden heart attack takes the life of a soul mate. Life is unpredictable and dramatic. Many buy into the sad illusion that the securities and familiarities we see around us today will remain forever: our homes, our friends, our spouses, our churches, and even our health. We are stunned and shaken by a sudden change, finding ourselves bewildered, mortified, and even embittered. We do not like change, especially change driven by sources beyond our control. Are there any guarantees in life? We often live as if our lives come with lifetime warranties. When they break, they can be fixed or replaced. Such is not the case. Many things are irreplaceable and unable to be fixed. During life's inevitable chaos, God says: "Do not be afraid." Seriously? How can one not be afraid when things are falling apart?

Fear is normal and it has a purpose. It is unrealistic, and somewhat unhealthy, to strive to live without any fear. Fear teaches us lessons and can be a catalyst to discovering more profound things. What we do with fear and how we understand it is critical. Fear can either cripple us or move us forward. God does not want fear to cripple us. If we look around at all that can change in our lives and consider what we might have to do, we can easily wallow in the mire of self-misery. Or we can step up to the challenge, as Mary did, and do what needs doing! We can stand tall, as did Joseph, and do the right and just thing! What gives us this courage? Faith.

God is with us. This is the focus of our Advent preparations. We need to be reminded that we are not in this alone. God not only made us and loves us, but God keeps us! In the person of Jesus Christ, God is the sign we need to persevere! Do not be afraid and do not be unbelieving! Hold fast to what God has done in giving us His only begotten Son. We do not have to anxiously attempt to control life's unpredictability. God has blessed us with the birth of His Son. Trust that He is with us and will not abandon us, even in death.

Saint of the Week-Examples of our Faith

Saint John of Kanty | December 23

Saint John, sometimes called John Cantius, was born in the Polish town of Kanty in 1390. Not much is recorded about his early life, however, he was a bright young man who did well in his studies at the university in Krakow. He earned his doctorate in philosophy and went on to be ordained and earn a doctorate in theology as well.

He began teaching at the university immediately following the conferring of his doctorate in philosophy. Unfortunately, his popularity worked against him, and he was dismissed from his post on false charges. Saint John was reassigned to a post as a parish priest in the town of Olkusz, Bohemia. His parishioners did not receive him with open arms, and he was unsettled in his new position. But John did not

give up, his honest care for the people of his parish eventually endeared him to them. After a time, he was invited back to the university and he returned to teaching, filling leadership roles in the philosophy and theological areas until the end of his long life. Saint John deeply cared for the poor, giving everything but only what he needed to survive away. He lived an aesthetic life but was such an engaging man that he often dined with nobility.

Saint John of Kanty died on December 24, 1473. He was canonized in 1767, by Pope Clement XIII. In 1998, a new religious community chose the saint for their patron and the Canons Regular of Saint John Cantius, was formed in Chicago, Illinois.

Faith Formation

**The Bible Timeline:
The Story of Salvation
Developed by Jeff Cavins**

Session 3: Early World– Part 2

God's story, as it concerns us and our salvation, opens "In the beginning." At the very start of Genesis, we were introduced to God: the powerful Creator and loving Father who infused the world with goodness and beauty. He created mankind in his image and to share in his life. Wanting us to share his life and love of our own free will, he gave our first parents a test: Would they trust in his love and goodness and submit to his Word, or would they abuse their freedom and follow their own wills?

**Session 3 on Tuesday December 20. 1:00pm or 7:00pm Sessions.
Questions call Bunny: Direct Line: 763-285-6247 contact@shrmn.org**

Our next scheduled session is **Tuesday January 10 at 7pm** in the Activities Building. If you plan to attend this session, please call the Parish Office 763-537-4561.

Spiritual Adoption

HAPPY BIRTHDAY – SPIRITUALLY ADOPTED BABY!

Your spiritually adopted baby was born this month - - nine months after her mother conceived her. The only change at birth is a change in the external life support system of the baby. She is no different now than she before birth except that she breathes and eats differently. She is truly a miracle. She began as a 46-chromosome cell and has

grown over the past nine months into this unique human baby we now can see. Never before in history, nor ever again, will anyone exist who is exactly like your spiritually adopted baby. Your prayers saved her life. Thank you on behalf of all of the little babies and their mothers for your loving prayers that helped to bring them to birth

"so that they might have life and have it to the full!"
