

EXTREME FAITH CAMP 2025

EFC is unlike any other experience. It is a place where middle schoolers can encounter the love of Jesus in a new and profound way, while also swimming, rock climbing, fishing, playing laser tag and more!

Daily Mass, as well as talks on how to live life like Jesus, confession, and Adoration make this a life changing week.

Where: Trego, Wisconsin (transportation will be provided)

Who: 6th - 8th graders (2024-2025 school year)

High School Students

There are also opportunities for high school students to join for EFC.

For 9th graders (2024-2025), there is the Prayer Team.

A week on prayer team is one you won't forget.

On prayer team, you will spend the majority of your day with Jesus in Adoration and interceding for the rest of the camp. These prayers are why EFC has been and continues to be such a powerful place of encounter with Christ. This is not only an excellent way to prepare for Extreme Team the coming year, but also to prepare to live life devoted to Christ in a radical way.

For 10th-12th graders, there is Extreme Team.

These are the small group leaders for EFC. The campers look up to you (maybe secretly, but they do) and you help to shape their experience at camp by guiding and discipling them through the week. Joining Extreme Team means that you are living out your faith in real time and helping other to do so as well. This fantastic leadership opportunity.

Being a part of the high school side of EFC will be handled through a separate application process. Below, you will be able to access the application form and can return it to either Katie or the parish office by April 10th.

Though helping with Extreme Team and Prayer Team means going to EFC another year, the role *does look different than being a camper*. The questions on the application are good reflection points to help you get a gauge on where you are in your faith.

Adult Leaders Needed

Adult leaders serve in a variety of ways at EFC, depending on what the need is. Most often though, small group leaders are the most important and needed role. As a small group leader, you would serve alongside the Extreme Team to help guide the middle school campers in the journey of faith. Please contact Katie at kkruc@shrmn.org if interested!
