# Worship & Meditation

## Gospel Meditation

### Encourage Deeper Understanding of Scripture

In my second year of theology studies, I went to confession to a priest visiting the seminary for a three-day retreat. My heart wasn't in it. I was going through the motions. I confessed my sins and waited for his response. The priest said, "For your penance, I'd like you to go into the chapel and repeat the words **'You are my beloved Son, with you I am well pleased'** (Luke 3:22) until they mean something to you." Easy penance, I thought.

But to my surprise, I struggled to say those words. I sensed a strong interior resistance blocking them. How could God be well-pleased with me? He couldn't be, I thought. A battle within me ensued. Two hours later, the resistance vanished, and I found myself able to speak, and claim as my own, those marvelous words. I emerged from the chapel with a new, deep, peaceful conviction that I was indeed God's beloved son.

Those words are a precious gift from heaven to all of us. Jesus' baptism, which we celebrate this week, offers them to us. Are we willing to receive these words anew? Many things can block this deepening of our baptismal identity: failings, sins, disappointments, traumas, problems, and so on. Yet God's love is always greater. This week I challenge you to prayerfully repeat these words over yourself — or perhaps over someone you're struggling to love — until those words find a home in your heart.

— Father John Muir

#### MNSAA Accreditation Visit February 19-21

Sacred Heart Catholic School has been accredited by the Minnesota Non-Public School Accrediting Association (MNSAA) since 1990. Every 7 years, a team of educators visit our school for three days to validate our Self-Study report. The team will visit observe classroom instruction, interview all staff along with representatives from SAC and PTC.

Last year, parents took part in a parent survey to give us feedback on our mission statement, philosophy, and educational programs. From staff and parent feedback, we have created strengths and challenges to develop a strategic plan for the next 7 years. The strategic plan will be shared with you after approved by MNSAA.

#### Why get accredited?

Credibility of the quality of a school program in the eyes of stakeholders and the public.

A framework for the best possible educational program for learners.

A public statement that the school is measured against rigorous standards and has developed a strategic plan for continuous improvement.
